In the presence of a large and enthusiastic audience the Arlington lodge of Elks held its installation ceremonies at Robbins Memorial Town Hall last Wednesday evening. The affair did not come to a close until early yesterday morning.

Louis F. Sonia was installed exalted ruler of the lodge by the installing officer, Frank B. Twitchell, PER of the Natick lodge and Francis J. Murphy also of the same lodge. A large suite, composed of exalted rulers, past exalted rulers and officers of various lodges in this vicinity attended the installing officer.

The acting grand suite was made up of the officers of the Natick lodge.

In addition to Louis F. Sonia, the following officers were installed:

The installing officer and his esquire were presented souvenirs, and the newly installed head of the lodge was presented a gold card case.

Speeches were made by DDGER Twitchell, Francis J. Murphy, William O. Hauser, chairman of the Board of Selectmen; PERH Wesley Curtis; Charles F. J. McCue, PER of Cambridge lodge; Patrick J. Fallon, PER of Winchester; Frank F. LaHait, PER of Somerville; Dr. Fred F. Lowe, PER of Newton; Richard L. Powers, PER of Arlington; John H. Allison, esquire of Arlington; and PER Charles M. Ward of Arlington. The newly-elected organist of Arlington Lodge, Joseph J. Barry, entertained with vocal selections.

The new exalted ruler has arranged an interesting program for each month of the coming year, the first affair being a May party for the charity fund. Committees were also appointed at the installation.

Will Beautify Arlington High School Ground

Work on the beautification of the Arlington school grounds which is necessary because of the recently added wing, will start early next week according to Clifford W. Cook, executive secretary of the Arlington Emergency Unemployment committee. Several men, all of whom are now unemployed, will be given work when this project is started.

One hundred and forty men have been assigned employment by the committee this week at receiving at least two days' work.

This week marks the fourth of the new experiment whereby all Arlington residents who are now receiving aid from the Public Welfare department work off the amount received. Each man receiving aid is given a slip which indicates the amount of money given him and in return he is obliged to work. All work is assigned by Mr. Cook and projects supervised by the various municipal department heads.

According to Mr. Cook, this plan which also is being worked out in Cambridge and Quincy, is proving satisfactory and laborers generally are pleased to be given an opportunity to work in return for financial help received from the city.

ARLINGTON HIGH LOSES OPENING TRACK MEET

Arlington High track team journeyed to Belmont yesterday to be defeated by an inferior Belmont team. The reason seems to be lack of reserves on the Arlington team. Belmont tried to make an issue out of an informal track meet and ran as though it were mid season. "Doc" McCarthy did not take his baseball track men over, but not important enough to take cause he felt that the race was taken away from the last practice before the Lexington game. If he had taken Crovo the meet would have been Arlington's without a doubt.

The score of the Junior team was 31 to 32 in favor of Belmont. Crovo has consistently thrown the shotput farther in practice than the Belmont winner did in the meet. The loss of others who would have bolstered up the reserves so that the men would have been run in their proper positions instead of strange ones as was necessary was also a bad handicap but all in all the track team did remarkably well for such a lack of material.

The seniors and Juniors both lost their respective parts of the meets. In fact only four Seniors ran in the meet which made it hard for them in that they had to run in more than one race and were tired after the first.

It was a moral victory for "Doc" when his Sophomore team won, because he has started to build one of those teams for which he is famous. He always starts with a Sophomore team and has a Champion when they become Seniors.

Phinney Stars
Lauren Phinney bespectacled dash man, ran a terrific quarter mile up to the last few yards when a more experienced opponent passed him. Phinney is a dash man being made into a two-hundred runner, and to do a quarter mile was a big strain but he fought to the very end. He showed great promise of becoming a star in the two-hundred. Higgins gave much promise in the 100 yard dash. Others who show that they have the makings of real track men are Troy, Hanlon and Lowery.

LOCAL HIGH SCHOOL DRAMATIC CLUB TO GIVE PLAY TONIGHT

Arlington High Opens Season This Afternoon

Arlington High baseball team opens its season today with its rivals Lexington at the latter's grounds. The game is of unusual interest because of the ancient rivalry between these two towns. The lineup is as yet uncertain but probably consists of Clarke on first, Cronin, second, Greeley, third, and in the outfield Crovo and Harding, Buckley, at shortstop and C. on, as receiver.

Tomorrow the team opens the league season, meeting the strong Winthrop team at Spy Pond Field. A large crowd is expected to witness this important game. The battery for this contest will probably be the new sensation, Weldow, and pepper Wright. Weldow from all reports is some pitcher, and should wipe out the Winthrop heavy hitters without much trouble. The team after a hard week of practice is all set to take everything in the line of baseball.

The Arlington board of Selectmen of which William O. Hauser is chairman, has made a petition to the State Department of Public Works and the County Commissioners for specific highway repairs on Warren street, Medford street and Massachusetts avenue.

The petition seeks an allotment of money from the County and state to pay for necessary repairs on these streets. Following a similar petition made in 1912, the State and County each paid one-third of the expenses to pave certain sections of Massachusetts avenue, the town paying the other third. It is under the old petition that the selectmen now seek specific repairs for the sections between School and Lake streets on the avenue.

Legion County Commander On "Air" Saturday

County Commander Daniel J. Doherty of Woburn, of the American Legion will broadcast over station WLOE Saturday night, at 7:30 p. m., on the Medford Legion program. This program is presented weekly under the auspices of Legion Post 45, the American Legion, and is arranged for by Past Commander Charles M. Doherty of Medford Post.

Community Commander Doherty will speak on the bill which provides for the higher education of World War veterans. This law has been in effect for more than a year and many have taken advantage of it, but Commander Doherty feels that there are many orphans and their mothers who do not fully understand their rights and privileges under this act.

He will also, undoubtedly, touch on the county membership which opens, today and continues through to Memorial Day. While this drive will officially end on May 30th, he requests that all membership cards, possible, be turned in by May 15th as that date will determine Massachusetts' place in line in the parade at Portland, Oregon.

IN A FEW DAYS
Within a few days, Arlington will join several other com-
munities in appropriately celebrating Patriots' Day, a day
which has more significance to this town than the average
Massachusetts community since Arlington is so rich in Revo-
lutionary history. Because this year also marks the two
hundredth anniversary of George Washington's birth it is
more than fitting that Patriots' Day should have an extraor-
dinary meaning to every loyal American citizen. Let us hope
that every man, woman and child in Arlington will grasp the
spirit of the day and take an active part in properly cele-
brating the event.
Already many stores in the business section of Arling-
ton are decorated with the national colors in anticipation of
Patriots' Day. Other stores are expected to follow as far as
possible. A generous display of the national colors will cer-
tainly go a long way to brighten the hearts of everyone
and to raise the spirit of everybody in a period when depres-
sion tends to sadden many hearts.
Never before has the cry to "rally around the flag"
meant more than it will this year. Therefore, every man
and woman worthy of citizenship should stand up for his
country and his sacred rights which were made possible
through the efforts of such patriots as Paul Revere and
William Dawes, Jr., whom we shall honor next Tuesday. Let's
rejoice that we're in America and thank our patriots for the
privilege.

PUTTING OUR DOLLARS TO WORK
A few years ago the secretary of a commercial organization in
Columbus, Mississippi, began to wonder how many times a dollar
changed hands in his community in a single year; so he took a num-
ber of dollars, pasted a slip of paper on the back of each, and started
them out through the regular channels of trade. On these slips ap-
peared instructions to pass the dollar along in the usual way, and
check it when it went on to the next party.
At the end of the year each of these dollars was returned to
the secretary by the local bank, and it was found that on an average
each dollar had passed through 220 different hands during the course
of twelve months.
If one could have interviewed one of these dollars he would
have received about such a travelogue as this:
"After I left you I went directly to the grocer's till. My visit
there was brief, however, for a farmer entered the store with a crate
of eggs, and the grocer turned me over in exchange. I thought I
was going to get a little trip into the country but I never left the
town, for my farmer friend took me down the street a short distance
and turned me over to the shoe dealer.
"Well I couldn't take the time to tell you about all of the fine
people I visited during the year, but I remember that one was the
tailor, another a workman helping to build a new pavement
through the city, another a school teacher, who received me in ex-
change for instruction given to your children. I also visited a doc-
tor, a lawyer, and a man working on the new community house. I
spent some time in the bank and earned a little money while there
for some of my friends.
"I feel that I have brought a considerable amount of happiness
to the people of this community during the year, and I am ready
to go out now and put in another strenuous year helping to build
up worth while things here."
That is what happens to a dollar that is kept in circulation.
And it seems to us that the big problem confronting this nation
is not so much the shortage of money but keeping what money we
have circulating in a normal manner. How can that be done? Well
we would naturally suggest that advertising is one of the most essen-
tial elements.—Fairbury, (Neb.) News.

LOEW'S STATE
Beginning Friday, Loew's State
will offer Robert Montgomery in
his latest Metro-Goldwyn-Mayer
starring picture, "But the Flesh
is Weak," a filmization of Ivor
Novello's stage play, "The Truth
Game."
Montgomery plays a young
British playboy who turns for-
tune hunter but falls in love
with the wrong girl, a poor but
fascinating young widow. Jack
Conway, director of "Arsene
Lupin," directed the new pro-
duction with one of the most
notable casts of the year. Nils
Asther, famous Swedish screen
hero, returns to pictures after
an absence of two years to play
an important role. Included
among the other players are Nora
Gregor, beautiful stage star of
Max Reinhardt's Vienna Theatre;
Heather Thatcher, famous Eng-
lish stage star; Edward Everett
Horton, C. Aubrey Smith and
Frederick Kerr.
Surrounding features of the
new show include a new Laurel
and Hardy two reel comedy,
"Helmets," and Hearst Metro-
tone News.

Daddy Sunshine
Club Rules
1. Be kind and helpful to
others.
2. Look both ways when
crossing streets.
3. Always be kind to dumb
animals.
4. Write a letter to Daddy
Sunshine, or have Mother
or Dad write it for
you, every now and then.
5. Try to bring a "Ray" of
Sunshine into the lives
of your parents and
others every day of the
week and every week
of the year.
These rules are not very
difficult for good girls and
boys to keep. Most of them
are kept by them anyway.
Mail your letters and
stories to Daddy Sunshine, in
care of this paper. He will
answer them in the Daddy
Sunshine Column.
Write on but one side of
the paper, and place your
age and address on the letter
after your name. Give the
day, month and year of your
birth.
To join the club all you
have to do is promise to keep
the rules—and keep them.

ARLINGTON PRODUCERS
The following Arlington chil-
dren have donated silver paper,
or tinfoil, to the club for the
Shriners' Crippled Children's hospi-
tal:
Willard Brigham of 34 Gould
road; Gloria Newcomb of 11
Winter street; and W. C. Thomp-
son of 95 School street.
Mrs. Marie Kenney of 54 Hill-
side avenue, Arlington Heights,
also presented Daddy Sunshine
with a goodly package of tin-
foil.
The tinfoil, almost seven ton
of it, saved by members of the
Daddy Sunshine club and others,
will be brought to the Shriners'
hospital at Springfield, in a large
truck, in June. A group of tal-
ented members of the club, with
Mal and Daddy Sunshine and
Samuel C. L. Haskell, president
of the men's group organized to
assist the club, will accompany
the children. An entertainment
will be presented for the cri-
ples at the hospital.
From Theford Ctr., Vt.
Dear Daddy Sunshine:
I have got two cows and three
bantams; also a nice Angora
cat. She is a great pet.
I am always good to animals.
I go to school and like to. Am
in the second grade. I would
like to join the club, and will
try and keep the rules.
Evelyn Banker,

Age: 7 years.
Date of birth: Oct. 4, 1925.
You are very welcome indeed
Evelyn. Daddy Sunshine is most
pleased to admit you, the second
member of the club residing in
Theford Center. He hopes you
and Donald Field will be able
to organize a real group of Sun-
shiners among your friends.
Dorothy Writes
Dear Daddy Sunshine:
I am sorry I haven't written
before to the club but it slipped
my mind. Here is a piece I
sent away for and I think it
just suits the Daddy Sunshine
Club.
A Smile
A smile costs nothing, but
gives much. It enriches those
who receive, without making
poorer those who give. It takes
but a moment, but the memory
of it some times lasts forever.
None is so rich or mighty that
he can be made rich by it. A
smile creates happiness in the
home, fosters good will in busi-
ness, and is the countersign of
friendship. It brings rest to the
weary, cheer to the discouraged,
sunshine to the sad, and it is
nature's best antidote for trouble.
Yet it cannot be bought, begged,
borrowed or stolen, for it is
something that is of no value to
anyone until it is given away.
Some people are too tired to give
you a smile. Give them one of
yours, as none needs a smile so
much as he who has no more to
give.
I think that is a very pleasant
thought? don't you Daddy Sun-
shine and Sunshiners? Daddy
Sunshine will you please send
me the address of Molly Bishop
of England as I lost her address.
I know I am not a good sun-
shiner for not writing often.
Well-I will have to close with a
big smile to all.
A sunshiner,
Dorothy Hogan,
67 First Street,
Medford, Mass.
Age 13 years; Born February
26, 1919.
More than pleased to hear
from you again, Dorothy. Yes,
that was a beautiful thought and
thanks a lot for passing it along
to the children.
Daddy Sunshine will look up
the address of Molly and let you
know real soon. Write again
soon.

al comedy. Among others on

BY JOSEPH CALLAHAN

Governor Joseph Buell Ely has given his whole-hearted endorsement to the annual membership drive of the Arlington Visiting Nursing Association which started last Monday and has met with a ready response on the part of the townspeople. Hundreds are enrolled and according to present indications many more will join before the drive is over. Many sick and needy citizens have been assisted by this fine local group. The letter of his Excellency to Mrs. Roger W. Homer, President of the Association for the past 17 years follows:

"My attention has been called to your long and humanitarian work as President of the Visiting Nursing Association of Arlington. Ex-Attorney General Thomas R. Boynton called to inform me regarding the splendid service you have so faithfully rendered. Surely it is God's work, and as Governor of the Commonwealth I wish you every success, and I bid you and your organization 'Godspeed.' The Governor has, I am sure, voiced the sentiments of all the citizens of Arlington and now if all those who have not enrolled will do so as soon as possible, this drive will go to the top in a comparatively short time.

Philip Beasley of Avon Place, former Arlington High School star has been selected for second base on the Tilton School nine at Tilton, New Hampshire. Philip played left forward on the basketball team and had a very successful season. He was awarded a letter for his basketball work recently.

A Judge down South, in giving an opinion on an accident case, says that a gaffer cannot achieve the impossible. Apparently he does not believe the stories a good many of them tell.

Johnny Kelly of Arlington, a graduate of Arlington High, won the time prize over a field of 122 runners in the 22nd annual 10 mile handicap cross-country run of the Cathedral Young Men's Catholic Association last Saturday afternoon in the South End. Johnny covered the route in 53 minutes 38 seconds which is exactly 2 minutes and 31 seconds more than Jimmy Henigan set in 1917.

Kelley has won many trophies for running and a short time ago he won a hard grueling road race in Quincy. If he continues running we may expect to see him winning the annual B. A. A. marathon on April 19th, some time in the future.

Overheard at the Spy Pond baseball diamond: "Aw, keep your shirt on. Who do you think you are? Gandhi?"

Dr. Franklin P. Hawkes, principal of Junior High West was warmly applauded for his stirring address at the Scout Day meeting and Rally in Robbins Memorial Town Hall last Sunday evening. A large gathering of scouts, their parents and friends gave Dr. Hawkes a rousing reception. Prior to the address of the evening orchestra selections followed by a pageant were enjoyed.

The Arlington women's Democratic Club held a very successful Victory Party last evening in the G. A. R. Hall with a large number attending. Many prominent guests were present. A social was enjoyed in the upper hall while bridge and whist engaged the attention of those in the lower hall.

Longfellow Chapter, Order of the Eastern Star celebrated its 24th anniversary in the Robbins Memorial Town Hall last Friday evening. A very entertaining program of musical selections, reading and jokes were presented. Miss Eleanor Ogren and Frederick Parker of the Heights were well received.
